

Syntropy States

Syntropy app - Refund Policy

You may cancel a Monthly or Yearly subscription plan at any time. Cancellation is effective at the end of the applicable period.

Additionally, our Yearly subscription plan is offered with a 30-day money back guarantee, which entitles you to a full refund upon cancellation.

Such refund requests must be made within the first 30 calendar days from your first date of payment. You are entitled to one refund only. After your refund, any future subscriptions will no longer qualify for the 30-day money back guarantee. **No such refunds will apply to subsequent renewals of the Yearly subscription purchased through the Apple iTunes Store or our iPhone application, or the Google Play Store or our Android application.**

Please note that if you purchase a subscription through the Apple iTunes Store or our iPhone application, you may cancel your subscription by cancelling automatic renewal of paid In App Subscriptions by selecting Manage App Subscriptions in your iTunes Account settings and selecting the subscription you want to modify.

If you purchase a subscription through the Google Play store you may cancel automatic renewals in account settings under Subscriptions in the Google Play app, or according to the current process outlined by Google Play.

If you require any further help or information, please email info@syntropystates.com
